

FGES PTA Disbursement Request Form

2019-2020

Instructions: This form is for both reimbursement requests and payment of invoices. Complete form, attach original receipts or invoice and leave in "TREASURER" folder in PTA basket in office. It is strongly recommended that the receipts being submitted do not have any personal expenditures (i.e., separate purchases, if possible). **Use a separate disbursement form for each committee/budget account.** Requests will be picked up Mondays and Wednesdays. Since disbursement requires multiple signatures, please allow a week for a check to be prepared. You will be contacted when the reimbursement check is ready for pick up. Invoices will be mailed directly to the vendor.
